70 • Red Medicine they guarded rites and birthed their babies (Burkhart 1997, 52) Even after the conquest, the home—as the domain of female control—was a pri-vate space for women to worship and direct cosmological meaning Native women both from the Mexica and from other Indigenous ...

Red Medicine - Project MUSE

Red Medicine is inspired by Sandy Grande's Red Pedagogy (2004, 28-29), where she advocates that Indigenous peoples re-claim knowledge and reimagine ourselves through self-determined relationships with a "hope that lives in contingency with the past" To contextualize the role of regeneration in Red Medicine, I address various rites or
